

# It's Time for a Financial Health Check Up

## Why a Pediatric Billing Service Matters

Pediatric practices differ greatly from any other medical specialty. Choosing the right billing solution for your practice is critical to achieving financial success. The right partner will make sure you are properly reimbursed for all the hard work you perform. Take the time to evaluate your revenue cycle and decide if OP Pediatric Billing Services is right for you.

Healthy Practice Indicators	OP PBS	Industry Average	Your Practice
Days in A/R	20	30-40	
Days Outstanding	27	30	
Net Collection Rate: Commercial Payer	99.3%	96%	
Net Collection Rate: Medicaid	97%	90%	
Percentage of Insurance A/R 90+ days	10%	15-18%	
Average Revenue Per Sick Visit	\$120	\$107	
Average Revenue Per Well Visit	\$180	\$133	

## Proof In Numbers

Practices that increase net collection rates and exceed the industry average with OP's Pediatric Billing Services see real increases to their bottom line. The following projections for increased revenue are based on MGMA pediatric revenue per provider, with an equal split of commercial and medicaid patients.

1-2 Providers  
Up to **\$32,000**

3-5 Providers  
Up to **\$80,000**

6-10 Providers  
Up to **\$160,000**

15+ Providers  
**\$200,000+**

Essential Billing Services Differentiators	OP PBS	Your Billing Solution
Reimbursement for valid unpaid claims*	✓	
Assigned a dedicated account manager from a US-based billing team who is an expert in pediatric billing and certified in HIPAA compliance	✓	
Claims are processed every business day in your billing system and you are offered full transparency with open access for the work preformed on your behalf	✓	
Follow up on all claims, no matter how long the adjudication process takes	✓	
Interactive dashboards are included in your billing solution so you can make smarter business decisions	✓	

*\* If insurance denies a valid claim due to a mistake on our part, we credit your account for the lost revenue that insurance would have paid.*

It's important to choose the right billing solution for your pediatric practice. OP Pediatric Billing Services provides you with an expert pediatric billing team that will take care of your claims and reimbursements so you can focus on what matters most – your patients.
